

St. Edward's Builders Club has a:

Need for Beads!

Donate your old or leftover beads to St. Edward
from February 20th through March 26th.

This benefits Strive, Inc., a private non-profit organization that collects beads for sorting and repackaging to help others earn income and reach their potential as members of the community.

So yell *"Throw me something Mister!"* and
donate as much as you can. We appreciate
your generosity!

Please bring beads to student's class or
school office.
