INSTRUCTIONS FOR PURCHASING TICKETS ONLINE

Our new bank partner, FIRST BANK and TRUST has set up a system to allow parents to pay for "incidentals" (field trips, jersey fees, class fees, etc.) ONLINE. This will be a big help to both parents and teachers.

If you have a tuition loan through First Bank, you already have access to the portal.

If you do not have a loan, you still have access to the portal. Just go to our website, steddyschool.com, scroll down, and on the left, under LINKS, you will click on <https://tuitionportal.fbtonline.com> to access the Incidentals section.

If you are not already registered with First Bank, please do so. You will have to agree to the "Tuition ..." even if you do not have a loan in order to register & make online incidentals payments for the future; this does NOT mean that you are making a bank loan.

Moving forward, all school fees (extended care, field trips, special events, jersey fees, etc.) will be collected through this portal. There is no service charge for any single payment under \$100 if paying with credit/debit card. There is never a fee if paying by bank draft (check), regardless of transaction amount."
