Eddy Awards have been presented at our Founder's Day Mass each year since 1983. While all members of the Parish contribute to making St. Edward such a vibrant and active community, Eddy Awards are given to recognize those individuals who, through their diligent efforts in various Parish activities, have contributed in a significant way to our community. Eddy awards allow us the opportunity to express our thanks in a special and visible way to those parishioners who have responded to God's call and helped make St. Edward such a spirit-filled parish.
