A note from the teacher

Hello again parents!

It was so good to see so many grandparents and VIP's on Friday. I hope everyone enjoyed the day. I am still working with my newsletter to make the format and content as understandable and helpful as possible, so please bear with me in the process. I want to use this note to ask you to please remind students of their expectations in the classroom. I will be reviewing our class rules and expectations with students in the classroom more, as some behavior issues have been increasing lately. None of these issues have been major, but student focus and attention has been hindered due to some excessive talking and inattention. I thank you for helping me ensure that the students are doing their very best every day. As always, please reach out if you have any questions or concerns.

THANKS!

Mr. LeBlanc
