Mr. LeBlanc's Class Newsletter

A Letter From the Teacher

I am so excited to have had another great week with you children! We have finally started getting into the content of our classes and begun our daily routines. As these next few weeks go by, and we get past the introduction to our subjects, students will begin having their first quizzes and assessments. Study guides and more information will be sent home regarding these items as they get closer.

Thanks,
Mr. LeBlanc

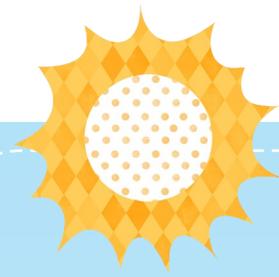

The Bean Jar

Our class has started a bean jar. Students are working to earn 10 minutes of free time on Fridays by filling a jar with beans. There are a few ways that students can earn these beans. Each student gets 4 beans each day. If they are warned regarding their behavior, they lose a bean. At the end of the day, all the beans that students have left are placed in the jar. Additionally, each table group has a Team Bag in front of the room. As I observe table groups being on-task, they receive beans in their team bag. If all students are on task during an

activity, beans will be added directly into the jar.

Important Dates

09/11 @ 6:30: Back to School Night

09/21 Family Fun Night

Announcements

- Continue to look on the Homework Site for more information regarding Quizzes and Assignments.
- If you have not yet sent in your child's emergency food, please do so as soon as possible. (see Homework site for more details about this)
- Back to School Night is TONIGHT. I hope everyone is able to make it. I am looking forward to formally welcoming you, as well as telling you more about myself and the classroom.
