

Dear Parents,

Please encourage your child to read daily, at least thirty minutes. It is essential that they read to maintain good reading skills. One non-fiction book will be assigned. This must be a non-fiction book about an animal, of the child's choice.

The students are required to do one book report/project; I have attached the sheets that are to be used in completing these. Attach the sheets to a cover page. Cover page should be on construction paper and include your favorite scene from the book, your name, title, and author (be creative). Book reports must be handed in on the first day of school.

Work neatly, follow directions, and answer the questions in complete sentences. Always restate question in your answer.

Each child will also be assigned work on RazKids and also should be working on to Zearn.org. I will be setting up new usernames and passwords for each site. Children should memorize their fact families and doubles (ex. $7+3=10$, $5+5=10$)

Have a wonderful summer. I look forward to a great school year. See you in September!

Thank you,

** Your child must know their basic addition and subtraction facts.

***RazKids and Zearn.org website usernames and passwords will be emailed to each family individually. Please check your emails.

Incoming Second Grade
NON-FICTION BOOK REPORT

Directions:

1. Read the required non-fiction book.
2. In the center of the diamond draw a picture of an animal you learned about.

Make sure you include the title and author of the book.

3. Write one sentence stating a fact about the animal you read in each of the lined triangles in the corners surrounding the diamond center.

When you are done there should be a total of four sentences on your page.
