

Nucci's

Dear St. Charles School Families,

Due to the rise in food cost and supplies and the recent Styrofoam ban placed in NYC, we will need to raise our prices by \$.50 per child for the K-8 lunch programs for the upcoming 2019-2020 school year.

In years past, we were able to absorb these costs since 2014, but unfortunately this year will have exhausted all options to avoid it. As a result, the price will be \$4.00 K-4 and \$5.25 for 5th-8th which still includes the main item, side item, water, and fruit, as well as the secondary options daily.

We thank you for your continued loyalty to our program and look forward to continuing to serve your children this year.

Sincerely,

Nuccis
