

## CONFIRMATION SAINT NAME

**Choosing a Saint's name is like choosing a Sponsor. The Saint chosen becomes someone you call on to intercede for you and to model your life upon. They become your heavenly sponsor and patron.**

**Whether you take your Baptismal Saint's name or choose one yourself, it will be important to research and learn about that Saint and their life. Remember this Saint is your model for being a follower of Christ.**

### **INSTRUCTIONS:**

1. Research your baptismal name and saint names. (There are several books on Saints, or check online at [www.catholic.org](http://www.catholic.org))
2. Discuss with your parents, sponsor or catechists Saint names you are researching.
3. Write a brief paragraph on why you chose this name.

**Return to Elizabeth Auffrey no later than October 31**
