2320 Paris Road, Chalmette, Louisiana 70043  
The Twenty-Second Sunday in Ordinary Times      September 2, 2018

**Dear Parishioners,**

**PEACE!**

**First, I would like to update you on our church restroom project. After months of waiting, I finally met with the Archdiocesan Building Office representative and their architect last week. We should have the preliminary drawing for the project in October and the final drawing in November. The project will then be put out for invitational bids. Once construction starts, the project should be completed in about two months. I continue to ask for your patience and apologize for any inconvenience. Meanwhile, the adoration chapel restroom is available for use.**

**Second, I have been asked by our parish finance council to give you a report on our financial status next weekend. You will notice that the monthly envelopes you receive includes one for the “parish debt.” Many parishioners are asking, “How much is our parish debt?” Fortunately, our parish is debt-free. Since the previous administration, the contributions you placed in the parish debt envelope were used to pay for the “Parish Assessment.” I will explain the “Parish Assessment” in detail in my financial report next weekend.**

**Lastly, I want to thank you for your continued support and dedication to Our Lady of Prompt Succor Parish. Please pray for your priests and pray for one another always.**

**Know that Fr. Sal and I pray for you daily.**

**Your servant in Christ,  
Fr. Marlon**

## **OCTOBER IS THE MONTH OF THE ROSARY!**

The Legion of Mary is happy to coordinate the Rosary Prayer Program again this year. Beautiful statues of Our Lady of Prompt Succor will visit a different home each day of the Month of October in a pilgrimage throughout the parish. You can pray the Rosary alone or you can invite family, friends, and neighbors to pray with you. Prayer packets containing Rosaries, Pamphlets on How to Say the Rosary, and Miraculous Medals will accompany the statues.

Mother Mary would love for you to welcome her into your home. One day, she will be welcoming you with her son Jesus into your eternal home in Heaven. Sign up after all Masses this weekend to have Mother Mary visit your home in October.

## **ENTHRONEMENTS OF THE SACRED HEART OF JESUS**

OPLS offers "Enthronements of the Sacred Heart of Jesus" in homes throughout our Parish. If you are interested in having your home dedicated to the Sacred Heart of Jesus, please contact Donna Roscher, Legion of Mary, at 504-319-9929.

### THE HIGHEST LAW

From time to time, newspapers and magazines will offer, as an item of "filler," various laws that are still on the books but seem silly to us in our day and age. In one California city, it is illegal to have two indoor bathtubs in one house. Clean water, a precious commodity when the law was written, is now readily available, so the law seems silly. But the human value of protecting and preserving precious resources is still around, evident in many conservation laws that seem sensible to us. So it is with the laws of religious tradition. What Jesus scorns today is others' attitude toward ritual laws, an attitude that becomes nearly idolatrous when laws are observed for their own sake. Jesus teaches that observation of external ritual laws is of value only when they are emblems of our internal disposition toward the will of God. Our whole lives must follow the one ultimate law of God: to love God completely and to love neighbor entirely. Roman Catholicism is a tradition rich with customs, traditions, and even laws. As we continue to listen to the voice of Christ, we must always look into our own hearts and underneath our ritual practices to make sure that love of God and love of neighbor are what we prize above all.
