Dear Parents,

Attached you will find our St. Mary's School Code of Conduct. This was co-operatively generated and written by the faculty and staff with input from our students as well.

Please review and discuss these expectations with your child. I would then ask that each of you sign the bottom of this page and return it to the school office. I would encourage you to keep the copy of our code at home so students know everyone is working from the "same page."

Thank you for working with us to secure a kind, nurturing, and safe environment that truly reflects our Gospel beliefs. It is important that St. Mary's School really be "The Place with a Heart."

Blessings,

*Mrs. Michele Lallier
Principal*

Let it be known to all who enter St. Mary's School and its properties, the following code of behavior is expected.

That all people regardless of age be extended the courtesy of:

Respect (It is understood that each person has been made in the image and likeness of God. There for everyone deserves to be recognized and treated as if they were equal. Each person warrants the ability to receive the gifts one another share with each other and with us whatever those gifts may be.

Safety (We will look out for each other and protect each other's personal reputation to ensure an environment that is reliable, nurturing, and fair).

Promoting the Positive (Only words which extend hope and encouragement towards one another will be exchanged between people of all ages, at all times, in all places).

Gentleness (We all seek to make this a peaceful place and treat others in a way **which truly reflects Christ**).

As a body in Christ, we also strive to foster the understanding that we are **part of a bigger picture**. Therefore, the people present here regardless of age, will work to put forth **intentional efforts** to be giving of themselves to others in **humble service, love, compassion, understanding**, and **forgiveness** in order to make this St. Mary's School a place which truly stands on **holy ground**.
