

# Human *Trafficking* of Youth in our community:

*It affects us all*

All teens ages 13-18, parents and young adults are invited to join our high school Core Team in welcoming Cherie Lindman from Terebinth Refuge Women's Shelter, a home and transitional shelter for young women escaping lives of trafficking. Come to hear about the very real threat that Trafficking poses to young people and discover resources and tips to recognize warning signs in your friends and peers.

- Sunday, March 24th 7:30-9pm St. Michael Catholic Church.
- RSVP online: [www.stmacatholicyouth.org/itAffectsUsAll](http://www.stmacatholicyouth.org/itAffectsUsAll)
- Cost of the event is totally **FREE**

A \$20 freewill donation per family is encouraged; all donations will be given directly to Terebinth Refuge Shelter.

*The presentation will be age-appropriate for high school youth, but will be dealing with the traumatic realities of human trafficking in our community. Parents are encouraged to attend with their younger teens.*
