A Comment on Today's Gospel

Jesus encounters three potential followers. As Jesus speaks to each individually, his disciples are present to overhear what he says about discipleship. He is teaching each of them, as well as everyone who heard this gospel today, about the demands of discipleship: those who follow Jesus must be ready to be without home and security; discipleship takes precedence over family ties and obligations; and the relationship of Jesus and his disciples is permanent and unconditional.

A TIP FROM THE OFFICE

Did you know that Ministry Scheduler Pro is the software we use to schedule everyone for the ministries at each Mass? As long as you are signed up and have stated your Mass preferences and ministries, the system sorts through all the available volunteers and selects people for a ministry at each Mass. The office doesn't assign people – the software does. If you are new to St. Francis, please email the office and we'll get you started in MPro. office@sfacolumbus.org

Stewardship Council is looking for new members

So, what do we do? We meet on the last Tuesday of the month at 7:00. Our mission is to help **EVERY** parishioner participate in a ministry they feel comfortable with and one that highlights their particular skills. Please feel welcomed to come to a meeting to see if this is something you would like to do.

Another priority is to communicate with the parish **ANYTHING THAT IS GOING ON** that would be of interest to you. We are the Website, Facebook, Ministry Scheduler Pro, welcome to the parish people (and a few more functions). Connecting with Parish Council and the Leadership Team as they receive questions, needs and concerns of the parish is an important task for us.

A Message from our Creation Care Team

This time of the year we all appreciate the beauty of flowering plants and shrubs that surround us. As we work to care for our yards and gardens let us be cognizant of our responsibilities to all of God's creation. One way we all can help is to responsibly dispose of our yard waste – grass clippings, leaves, and weeds. **(probably not the lumber in the pic.)** Composting is one way of doing so. But what if you don't compost at home or don't have curbside yard waste pick up? Several places in Franklin County offer free yard waste drop-off.
