## A GOSPEL REFLECTION

Two and two - There was much wisdom in sending them in this manner. It was done, doubtless, that they might aid one another by mutual counsel, and that they might sustain and comfort one another in their persecutions and trials. Our Lord in this showed the propriety of having "a religious friend," who would be a confidant and help. Every Christian, and especially every Christian minister, needs such a friend, and should seek someone to whom he can unburden himself, and with whom he can mingle his feelings and prayers.

### A TIP FROM THE OFFICE

When Ministry Scheduler Pro assigns you to a ministry service for a particular month, I suggest saving that email. If you find that you cannot perform that ministry, there is a place in that email to notify the system that you are unavailable. Then the system will reach out to other people who are also able to perform that ministry to find a substitute for you. You don't have to call or email the office.

### *"Stewardship of Time and Talent"*

Another priority is to communicate with the parish **ANYTHING THAT IS GOING ON** that would be of interest to you. We are the Website, Facebook, Ministry Scheduler Pro, welcome to the parish people (and a few more functions). Connecting with Parish Council and the Leadership Team as they receive questions, needs and concerns of the parish is an important task for us.
