## A Note From Fr. Biju

Dear Brothers and sisters in Jesus Christ,

This Feast of the Ascension commemorates the elevation of Christ into Heaven by his own power in the presence of his disciples on the fourteenth day after His glorious Resurrection. The Ascension of Jesus tells us that the Lord has completed His earthly work of our redemption. Now what Ascension says is this: Jesus is totally and forever reunited with the heavenly Father. On the feast of the Ascension, we remember the “exaltation” of Jesus, as he is raised up to share equal glory with his Father. Jesus, before he leaves his disciples, gives them their mission. Jesus, who confined himself to the people of Israel, tells them to continue his work all over the world. They will be able to preach the Gospel to the whole world. This mission involves the call to evangelize people, secondly to continue the healing work of Jesus, thirdly they will receive the power from the Holy Spirit, and finally the Christian community is never alone. This feast reminds us that Jesus is present in our hearts. He is present in his apostolic Church. He is physically present in the Holy Eucharist and in the Sacred Tabernacle. As Christian we are called to follow Jesus Christ accepting the trails and hardships of life bearing witness to him at all times so that we too have a share in his eternal life and glory.

Peace of Christ

Fr Biju Antony
