ADDITIONAL INFORMATION

The Diocese of Orlando is required by the United States Catholic Conference of Catholic Bishops (USCCB) to follow certain guidelines with regard to Safe Environment Training. As are all other archdioceses and dioceses, we are required to undergo regular audits by the USCCB to be sure that we are in compliance with those regulations.

All church personnel and volunteers working with children and vulnerable populations must complete Safe Environment Training in addition to a background/fingerprint clearance.

In an effort to ensure the safety of those persons under the care of the Diocese, all Church Personnel and volunteers, ages 15 and older, will be required to submit a completed Criminal Background Check Form as well as a complete set of fingerprints so as to facilitate a criminal background investigation.
