Fr. Gerard

Dear parishioners, visitors, guests and benefactors—

This week begins Catholic Schools Week. The Bishop has asked all parishes, even those without a school, to help the Catholic schools in the Diocese of Superior. There will be a second collection taken up this weekend toward that cause. It is difficult to financially operate a Catholic school. Your generosity is greatly appreciated by the parishes who support a Catholic school.

Don't you think winter is getting long and we need to celebrate with a party? There will be a pot luck party on Saturday, February 9, after the 4:00 pm mass at St. Joseph Parish. As in the past, all refreshments will be provided. Let us enjoy one another by spending time with each other on these special occasions. Your presence is greatly appreciated.

For about the past six months we, as a parish staff, finance council and pastoral council have been discussing the issue of safety. There have been several times when situations arise where the staff does not feel safe. It is a sad state of affairs that we even have to talk about these things. However, this is our reality in our world today.

Much discussion has been centered around safety, yet being a warm and welcoming community. We are trying to find some kind of balance to solve this issue. Some ideas most likely to be implemented will include security cameras, limited access cards, a change of the code number for the Adoration Chapel entry and a buzzer system for church entry outside of mass times. Many churches and public institutions are going this route because of the shootings and other violent incidents prevalent in our culture. Thank you for your ongoing understanding and support. May God Bless you always.

As ever—

Fr. Gerard Willger
