STEWARDSHIP & THE NEW EVANGELIZATION

Stewardship entails a process of continually renewing and recommitting oneself to God. This concept coincides with the New Evangelization, which invites each Catholic to renew their personal relationship with Jesus and His Church.

Catholics from around the world, inspired by the spiritual rewards of stewardship, are growing in their faith and living it out more fully on a daily basis. Parishes become vibrant when believers are actively carrying out the mission of the Church (Matthew 28:16-20) and living as disciples of Jesus Christ.

A NOTE FROM FATHER TOM, OMI

The end of June brings with it the preparing of a budget for the new fiscal year that will begin in July. The figures for the present year that we are completing will not all be in until at least the middle of July. This means that reporting on the year to the parish and to the Archdiocese will take place around the end of July or into August.

The Finance Council has already had a couple of meetings where budgeting issues have been worked on. The common practice – the one that we follow for budgeting – is to go over the figures for the year that is ending, examining how our parish financial situation has corresponded or not corresponded to the budget that was made in the summer of last year. We don't just take the same budget as the one we had for the previous year. Yet, we do calculate income and expenses on what the past year or two have been because that gives us the best idea of what the new year is likely to bring. As you are now beginning to see, our reporting, instead of a week to week listing of offertory income and expenses, will be one of quarterly figures. That, we believe, will make it easier to see the financial reality of the parish.

I also want to thank the members of our parish finance council who quarter by quarter work with the parish staff and with the archdiocese to maintain a responsible use of the resources with which we at Our Lady of the Angels have been blessed.

13th Sunday in Ordinary Time July 2, 2017

Lord, your death on the cross brought life to the world. Help me follow your example of selfless love. ~ *From Faithful Meditations for Every Day in Ordinary Time* Rev. Warren J. Savage and Mary Ann McSweeney

- How can I live my life as though nothing is more important than Jesus?
- Do I regularly witness to my love for Jesus, using words when necessary?

A WORD FROM POPE FRANCIS

Commitment to mission is not something added on to the Christian life...but is an essential element of faith itself. A relationship with the Lord entails being sent out into the world as prophets of his word and witnesses of his love....We must overcome a sense of our own inadequacy and not yield to pessimism, which merely turns us into passive spectators of a dreary and monotonous life. There is no room for fear! God himself comes to cleanse our "unclean lips" and equip us for the mission. ~ *Fifty-fourth World Day of Prayer for Vocations, November 27, 2016*
