## ISSUES OF MORALITY

---

### The Reality of Sin and Trust in God's Mercy

We cannot speak about life in Christ or the moral life without acknowledging the reality of sin, our own sinfulness, and our need for God's mercy.

When the existence of sin is denied it can result in spiritual and psychological damage because it is ultimately a denial of the truth about ourselves.

Admitting the reality of sin helps us to be truthful and opens us to the healing that comes from Christ's redemptive act.

### A LITTLE BIT OF HUMOR...

---

After the wedding, the little ring-bearer asked his father, "How many brides can the groom marry?"

"One," his father said. "Why do you ask?"

Because the priest said he could marry sixteen," the boy said, puzzled.

"How did you come up with that?" his father asked.

"Easy," the little boy said. "All you have to do is add it up, like the priest said: 4 better, 4 worse, 4 richer, 4 poorer."
