### A LITTLE BIT OF HUMOR...

---

A Jesuit, a Dominican, and a Franciscan were walking along an old road, debating the greatness of their orders.

Suddenly, an apparition of the Holy Family appeared in front of them, with Jesus in a manger and Mary and Joseph praying over him.

The Franciscan fell on his face, overcome with awe at the sight of God born in such poverty.

The Dominican fell to his knees, adoring the beautiful reflection of the Trinity and the Holy Family.

The Jesuit walked up to Joseph, put his arm around his shoulder, and said, "So, have you thought about where to send him to school?"

## ISSUES OF MORALITY

---

### The Formation of Conscience

The formation of a good conscience is another fundamental element of Christian moral teaching. "Conscience is a judgment of reason by which the human person recognizes the moral quality of a concrete act" (Catechism of the Catholic Church, no.1796). "Man has in his heart a law inscribed by God. . . . His conscience is man's most secret core, and his sanctuary (GS, no. 16).

Conscience represents both the more general ability we have as human beings to know what is good and right, and the concrete judgments we make in particular situations concerning what we should do, or about what we have already done.

Moral choices confront us with the decision to follow or depart from reason and the divine law. A good conscience makes judgments that conform to reason and the good that is willed by the Wisdom of God. A good conscience requires lifelong formation.

Each baptized follower of Christ is obliged to form his or her conscience according to objective moral standards.

The Word of God is a principal tool in the formation of conscience when it is assimilated by study, prayer, and practice. The prudent advice and good example of others support and enlighten our conscience. The authoritative teaching of the Church is an essential element in our conscience formation. Finally, the gifts of the Holy Spirit, combined with regular examination of our conscience, will help us develop a morally sensitive conscience.
