The joy he has in his faith is contagious and it comes through loud and clear in the way he approaches his topics of discussion. Paul's focus is on the here and now – meeting each of us where we are at this moment and building on our faith journey today.

Paul is a graduating member of the class of St. John Paul II from the Archbishop Harry J. Flynn Catechetical Institute. This 2 year study of the Catechism of the Catholic Church has provided a strong foundation and understanding from which he draws when speaking.
