“With our community center fast approaching completion, it’s easy to see the tremendous benefit its realization will bring to our parish: to connect with one another; engage in ministry and service; spiritual growth and education; sharing our Christian Faith; and, importantly to celebrate in times of joy and gather in times of sorrow. It will fulfill the needs of our parish today and for generations to come. Attainment of our vision is only possible through your support. Please give as generously as you are able to *Continuing Our Growth ...Building Our Future—Our Vision Realized*.”
