## Columbus Diocese 8th Grade Algebra Placement

Students were selected for 8th grade Algebra I based on a variety of academic factors including math performance in 6th and 7th grade as well as performance on several norm-referenced assessments.

\_\_\_\_\_ has been

accepted                       conditionally accepted                       not accepted

into the 2018/2019 8th grade Algebra I class      s.

For all students that have been either accepted or conditionally accepted, please fill out the following:

Instructor: check numbers 1-4 and sign.

Parent/Guardian: check number 5 and sign.

- \_\_\_\_ 1. K-8 Math Standards have been mastered and recorded.
- \_\_\_\_ 2. The instructor will be a certified/licensed 7-12 or 4-9 math teacher. The instructor will use the diocesan high school Algebra I course of study. The instructor will use as the primary textbook one chosen from the approved diocesan list.
- \_\_\_\_ 3. The course will be taught for four full quarters and for the specified time required to earn a unit of credit.
- \_\_\_\_ 4. Students who complete the 8<sup>th</sup> grade Algebra course are required to take the same End-of-Course exam that is given in high school. Credit for the class will be given to students earning a score of Proficient or above. .

If your child was conditionally accepted into the Algebra program, he or she will be on probation until the end of the 1st quarter. If at that time he or she is having difficulty meeting standards, he or she will be placed back in the regular 8th grade math class.

- \_\_\_\_ 5. I have read and understand the conditions specified above.
