2019-2020 Tuition Assistance

If you are requiring tuition assistance for the 2019-2020 school year, **now is the time to apply** at www.tads.com. We also have Seeds of Faith applications available in the school office, these are due in the School Office by May 10th. We ask that anyone filling out a tads.com application also fill

out the Seeds of Faith application. Please get these done as soon as possible.

Don't wait until the last minute. If the tads.com application is not complete and approved before the start of school you will be required to pay full tuition until it is approved. We will not back track to the beginning of the school year. This is open to apply starting March 1st every year, there is plenty of time to get it done before school starts. Kristina is able to help anyone that needs assistance. Call the school and set up an appointment with her.
