

Camper News for Week #2

Our Lady of Lourdes Summer Camp

345 Westchester Blvd., Slidell, LA
www.ollonline.com / (985) 643-3230

Dear Parents and Campers,

With the weather getting warmer, I encourage you to have your campers hydrate some during the night to prepare their bodies before each next day of camp. They don't need to over hydrate, but an 8 oz. bottle of a sports drink or bottle of water would be great. They are drinking water throughout the day so a sports drink might be best for the evening.

There are two other documents of importance accompanying this newsletter. The first is the **waiver form for Altitude Trampoline Park** which campers will be attending either on Monday or Tuesday depending on their grade-level grouping. Please complete and turn them in by no later than the day of their scheduled trip. The second is June's cafeteria menu.

Feel free to contact our camp staff at 985-788-0215 (Camp Cell), school staff at 985-643-3230 (School Office) or me by e-mail if you have questions (asmith@ollourdes.org).

Thank you,

Alex P. Smith
Camp Director
