St. Vincent de Paul Ministry

In today's gospel we hear Jesus ask, "What do you want me to do for you?" This is the same question we ask of those in need within our parish boundaries. Last week eight families responded to that question with requests for assistance with utilities, rent, or furniture. Because of your generous donations we were able to meet their requests with **\$1,200.00** in assistance. Thank you for your continuing financial support and prayers.

"Take courage; get up, Jesus is calling you."

Why Catholic school? Many parents ask why they should send their children to a Catholic school. A Catholic school provides a faith-filled, family community environment where children are given the opportunity to receive instruction in their faith throughout each day. High academic standards, Virtue education, and the development of the whole child allows students to grow spiritually, soundly, emotionally, and academically. It's the Catholic School Advantage!
