St. Vincent de Paul Ministry

In today's Gospel Jesus draws Simon and his companions to discipleship by helping them feed their families with a miraculous catch of fish.

Your donations of \$360 helped feed two of our neighborhood families. We also assisted one family with clothes and two others with their utility bills. Thank you for your charitable donations.

"Do not be afraid; from now on you will be catching men and women."

Parish Grounds Stewardship

As of this week all of the trees along 13th Avenue that were dead and dying have been removed. In October, The Sacramento Tree Foundation came out and took a look at all of the trees that we have. Their recommendation was to have all of the Ash Trees along 13th Avenue and the Maple Tree between the Rectory and Church removed.

We have secured a replacement tree for the area between the Rectory and Church and will be planting soon. For the area along 13th Avenue it has been recommended that we wait one year to allow the ground to settle before re-planting. For more information about the project please visit: www.sp-ah.org/parish-grounds-stewardship
