St. Vincent de Paul Ministry

Thank you in advance for your contribution to our second collection today. As you know, your contributions are distributed to neighbors here within our parish boundaries. Last week we were able to assist three families with utility bills, rent, and furniture from our Thrift Store, totaling nearly \$650.00. We also referred four families from outside our parish boundaries to helping agencies. In today's reading St. Paul tells us to "... love your neighbor as yourself." You are doing just that through your generous support of our St. Vincent de Paul Society. Thank you.

"... serve one another through love."

California Catholic bishops issue call to 'Protect Our Common Home'

Cherishing the many natural blessings of the Golden State while expressing growing concern with escalating threats to our world, the Catholic bishops of California have issued a pastoral statement calling on all people to "contribute to the ecological well-being of our state." "We are publishing our pastoral statement on the fourth anniversary of Laudato Si' with a two-fold vision in mind," say the bishops: "To animate and energize the implementation in California of what Laudato Si' calls us to do, and to offer a dynamic teaching and evangelization tool for our Catholic faith community and beyond, especially for young people." In God Calls Us All to Care for Our Common Home, the bishops challenge the people of California to appreciate the beauty of the state and to apply – both individually and collectively – the teachings of Laudato Si' in safeguarding our natural gifts.
