### St. Vincent de Paul Ministry

 Today's reading from Isaiah tells us that spreading prosperity is a sign of God's power. Your generous contribution of \$1,885.00 to last Sunday's second collection is that sign of God's power made concrete. Thank you. Last week we assisted two families with utility bills totaling \$302.00 and referred three other families residing outside of our parish boundaries to helping agencies.

"... I will spread prosperity over Jerusalem like a river. . ."

### California Catholic bishops issue call to 'Protect Our Common Home'

Cherishing the many natural blessings of the Golden State while expressing growing concern with escalating threats to our world, the Catholic bishops of California have issued a pastoral statement calling on all people to "contribute to the ecological well-being of our state." "We are publishing our pastoral statement on the fourth anniversary of Laudato Si' with a two-fold vision in mind," say the bishops: "To animate and energize the implementation in California of what Laudato Si' calls us to do, and to offer a dynamic teaching and evangelization tool for our Catholic faith community and beyond, especially for young people." In God Calls Us All to Care for Our Common Home, the bishops challenge the people of California to appreciate the beauty of the state and to apply – both individually and collectively – the teachings of Laudato Si' in safeguarding our natural gifts.
