World Marriage Day

Today we celebrate World Marriage Day. This special day honours the beauty of sacramental marriage. The commandment, "Love One Another" is given to us by Jesus in John chapter 14. This gospel gives us a simple but challenging message of how God wishes for us to live. Let us take time to pray for all who are called to the vocation of the sacrament of marriage. We will be celebrating our own parishioners who have reached milestone wedding anniversaries this year.

Congratulations!

May God bless you and your family.

Have a great week!
