We are inviting those interested in being financial mentors for our program to our next training on March 24. We will update you on the program, acquaint you with the basics of being a financial mentor for this program, provide background on what home visitors should look for during a home visit, talk about how the county boards will make their decisions, and acquaint you with how to use *Your Money, Your Goals* from the Consumer Financial Protection Bureau. If you already have a copy of *Your Money, Your Goals*, please bring that to the training.

Please RSVP by March 17 so we have enough food and materials for the day. Be sure to give us your name and your conference when you RSVP.

We will schedule additional trainings in Franklin and Licking counties after Easter so more people can attend.
