

SAINT JOSEPH'S DISCALCED CARMELITE MONASTERY

Dear Friends,

After deep prayer and consultation with my spiritual advisor, it is with a heavy heart that I have submitted my resignation as superior of the Saint Joseph's Discalced Carmelite Monastery. I will remain in Korona as superior until the appointment of my replacement by the Warsaw Province.

I have a long-planned trip to Europe from May 27th through June 26th for visiting family and spiritual retreat. During my absence, fellow Discalced Carmelite Father Julius will be here from Poland to assist Father Joseph and Brother Patrick at our monastery. I request that you welcome him and assist him in anything that he needs to be successful.

Since I first came to our monastery on the Feast of Our Lady of Sorrows in 2003, I have cherished the opportunity to serve God, our friends in Korona, and the faithful who visit us. I look forward to expressing my gratitude for the friendship and support that each one of you have shown me upon return from my trip.

I humbly ask that you keep me, our monastery, and the entire Order of Discalced Carmelites in your prayers.

Yours in Christ,

Fr. Artur Chojda OCD
