

St. James Community of Faith
A Reminder!

**Registration is underway for Religious Education
classes at St. James!**

Through their baptism, you have brought your children into communion with the Catholic Church and opened their hearts to receive the gifts of the Holy Spirit. Those gifts need to be nurtured, however, through the sacraments and prayer – but also through study. By gathering together with other children under the guidance of a trained catechist, your children will learn about their Catholic faith and experience the love and compassion of their God. We hope you will respond to our invitation and offer this gift to your children!
