St. Patrick's/St. James Parish Families ~ ONE MASS TODAY ~

NOTE FROM FR. CLARE...

As is the case with most construction projects, things never go as planned. Now that the project has moved inside it is taking a little more time to get things just "perfect". As a result, the contractor has asked to have an additional few days to get the work done. Therefore, all masses will remain at St. Patrick's. Mass locations will return to normal the weekend of August 25/26. *Fr. Clare*

CLEANING CREW NEEDED...

As the end of the construction approaches inside the church, we need to strike up a cleaning crew. If you are able to lend a hand, please call the parish office and let Kathy know. We'll assemble for our work bee on **Wednesday, August 22nd at 10 a.m.**, or whatever

time you can spare after that. If you are also able to bring a step ladder, pails, dust rags (many), mop, and/or vacuum we could really use your help, please let Kathy know what you can bring. We will supply the cleaning agents needed. Many hands make light work. Thank you for the generous use of your time and your patience as we have worked through this process. *Jeff Denys*

Thanks to Father Clare, the first responders and nurses who came to my aid and all who helped out when I fainted at Church July 29th. Your kindness and compassion in this stressful situation for our family is very much appreciated. Blessings to all.
