PASTOR'S COLUMN

Dear Parish Family:

Over the years, pastors and directors of faith formation programs have been perplexed by the fact that a significant number of our children do not get to Sunday Mass on a regular basis. Other priorities seem to intervene in family life. As I was reflecting on this shift in our Catholic practice during my lifetime, it occurred to me that the word "obligation" is not the "operative" term. The more important word is "relationship." The Scriptures for today remind us that the purpose of the "Torah" or ("Law") is to enhance our bond with the living God who continues to liberate us from bondage. Jesus is the embodiment of that saving "Word." I asked our faculty and staff to reflect on three questions:

- 1) How did your relationship with Jesus begin?
- 2) How is it nurtured or enhanced?
- 3) Who will you invite to Thanksgiving Dinner?

I shared my experience of learning to pray at home – the "domestic Church" – and of being brought to the larger family of the parish Church. Prayer, sacraments, and various retreat experiences build upon that initial encounter with the Lord. Our lives impact more people than we might imagine. Our family frequently welcomed visitors to our home. The vibrancy of our faith ought to attract others to want to learn the reason for our hope. Thus, "religion," in the pure sense, as the Apostle James tells us in today's second reading, drives us towards greater care for all in our environment, especially those who are seeking employment and ways to use the talents God has given them.

Blessed Labor Day,
Father Bill Foley

Faith in the Marketplace . . . in Troubling Times

The monthly First Friday gathering of men who relate how they connect their practical business and professional experiences with their commitment to live by their tenets of faith is on **Friday, September 7**, after the 6:30 a.m. Mass. Faith in the Marketplace kicks off the 2018-2019 season with a special and necessary round-table discussion of our Church in dark and troubling times. In light of recent and earlier festering revelations, we believe a session is needed where lay persons and clergy, many of whom have spoken forcefully, can be heard in a forum designed to enlighten, heal and provide direction. We believe in dark times, we don't leave, but lead. We hope you will join our round table discussion Friday September 7. This is much more than simply another discussion in our series: it is a jolting challenge to discover myriad ways our faith is tested and at work in the marketplace in troubling times.

Monthly Rosary

The parish Sodality's Stella Maris unit hosts a monthly rosary from 7:30–8 pm in the parish chapel. All women of the parish are invited to join us for a half hour of prayer and meditation as we pray the rosary together. Our upcoming Fall dates: **Monday, September 10, Monday, October 1, Monday, November 5**

For more details, please contact Jocelyn Rowe at jocelynrowe@hotmail.com

TOWN HALL MEETING

Sunday, September 16, 2 pm in the Gym

All of us have been deeply shaken by the accusations this summer concerning Archbishop McCarrick and the revelations of clergy abuse in the Pennsylvania Grand Jury Report. We are hurt, angry, and confused. The parish will sponsor a "Town Hall" gathering on **Sunday, September 16 at 2 p.m.** in the gym. Many questions are in our minds. It would be helpful if some of these would be submitted to our office prior to that date so that we might be better prepared to address them. We are all reeling from this news and need to support one another.

Gym Mass History

The 1960s were a time of social change in every sector of society, from government to music to religion including ways to worship. Religious education was beginning to be more about love and joy than about reciting catechism answers. After Vatican II the altar was turned around to face the congregation, Mass was in English, and hymns were written to reflect the changing music of the times.

Cardinal O'Boyle along with Msgr. Quinn, then BS pastor, approved a parent-led CCD program that met in people's homes using a text entitled "Life, Love and Joy". After class, families met at BS for Mass. To accommodate the growing numbers of families involved and to begin using more contemporary music, the Mass began to be celebrated in the gym. The first "Folk" Mass met on February 2, 1969. We celebrate 50 years soon.

The present day Gym Mass works well with a Steering Committee that recruits host families, ushers and gift bearers. We support our parish community by helping organize coffee and donut socials after Mass. We support our Washington community with weekly food donations every Sunday. Most weeks the Gym Mass includes a Children's Liturgy during Liturgy of the Word when children are invited to the auditorium with a liturgist. They use the Children's Lectionary so children can better understand the scripture if the day. Be aware, however, that the Gym Mass is not a children's Mass, but rather a liturgy that uses more contemporary music and all are welcome. Contact Ginny Curtin if you would like to join the Gym Choir (gucurtin@gmail.com).

Come join us on our first Sunday back on September 9. We welcome everyone with open arms!

PLEASE INCLUDE OUR SICK IN YOUR PRAYERS THAT THEY MAY EXPERIENCE HEALING AND COMFORT

Would You Like To Have Your Home Blessed?

A long time tradition in the Catholic Church is having our home blessed. The blessing prays that your home is filled with God's Peace and Holiness. The Blessing Ritual takes only a few minutes to perform. Ideally, as many family members who reside within your residence should be present when the blessing is given.

If you wish to have your home blessed then kindly e-mail Deacon Leo Flynn and include your name(s), address, phone number, and e-mail address and send it to leo@theflynnnteam.com. Also, specify which days/dates and times may work best per your schedule to have your home blessed (week days are available!) and whether you are or are not a registered parishioner of the Shrine of the Most Blessed Sacrament.

Those without computers may contact Deacon Leo directly at 703.328.4762 and leave your name and telephone number (speak slowly and clearly) in his voice mail and he will return your call.

**ADULT RELIGIOUS EDUCATION WITH
BROTHER MALACHY BRODERICK, FSC**

The Gospel of Luke & The Acts of the Apostles

Tuesdays, 8:45–10:45am in the Duffy Parish Center
Classes begin September 11, 2018–May 21, 2019

Luke's desire is to show that Christianity belongs to the larger world of the Roman empire. For example, he links the birth of Jesus to the Emperor Caesar Augustus. Luke calls his work a narrative account, not a history; his gospel is a faith narrative, not a biography or history of Jesus Christ. Luke's purpose is to show that what the church preaches is rooted in the ministry of Jesus and the preaching of the Apostles.

Luke provides authenticity of the Christian message by showing that the Holy Spirit has guided the entire process from the Old Testament through the ministry of Jesus and the development of the Church in the early Christian community.

The text for this course is the *Bible*. There is no need to register, if you are interested just come.

**The Torah: The First Five Books of the Bible:
Genesis Through Deuteronomy**

Thursdays, 8:45–10:45am in the Duffy Parish Center
Classes begin September 13, 2018–May 23, 2019

The text for this course is the Bible. There is no need to register, if you are interested just come.

Beginnings are important. If we want to know what kind of book we are reading, we skim over the first few pages to see its type. If we want to know what point of view the author takes, we examine how she or he starts out. For these reasons, among others, it is important to recognize the special character of the first five books of the Old Testament, i.e., the *Torah*, the Law of Moses. They stand apart as an introduction to the entire Bible, and more importantly both the Jewish and Christian faiths recognize them as the foundation on which all of Holy Scripture is built.

For further information you may call Brother Malachy at 202.364.2575.

Wednesday Morning Scripture Study

"When I was young we weren't allowed to read the Bible." Whether this was your experience or not, the Church did shift gears at the Second Vatican Council when it produced a ground breaking document entitled *The Word of God*. The document emphasized a self-revealing God who initiated loving contact with humanity and encouraged the faithful to respond in a thoughtful study of the sacred texts.

Little Rock Scripture Study has prepared a study guide to accompany a recent publication by Ronald Witherup, SS entitled; *The Word of God at Vatican II*. The book guides us through events leading up to Vatican II, the document itself, and the impact it has had on Church life. Scriptural references abound and subjects such as "inspiration", "tradition", and "inerrancy" are taken up as well.

The Wednesday Morning Scripture Study (now in its 30th year) will begin this study on **September 12th** after the 8am Mass. We warmly welcome all newcomers and returnees to join us in this endeavor. Coffee and snacks are followed by prayers, small group discussion and at 10am our vision is broadened by professional scholar speakers. If you have any questions call Nan Levine 202.244.7691 or email seekings7@yahoo.com.

Ephesians: Discover Your Inheritance

Paul's letter to the Ephesians reveals many remarkable gifts that we as Christians are given in the Church. This letter tells us about the nature of the Church—as a body, as a household, as a mystery, as a communion, as a bride, and as an army. It shows us the great inheritance that awaits us as sons and daughters, adopted fully into the family of God. It reveals how God's great love for us can transform our daily lives—if we allow it. Ephesians will enrich your faith—and show you how to live it out. **Dates: 8 Wednesdays, October 3–December 12, 2018 from 7-8:30pm in the School Auditorium.**

Register online at www.ascensionpress.com. Your registration includes the student materials and the ability to stream the videos online at your convenience during the course of the study. \$19.95 plus shipping. For more information, please contact Ceil Malphrus: ceilmalphrus@verizon.net or Mary Donovan: mamadonovan@gmail.com.
