Sunday Coffee

Thank you to the Lambert and Niroula families for serving Sunday Coffee yesterday.

Our next Sunday Coffee is Sunday, May 5th. The Dattilo and Asumadu families are scheduled to serve.

Bus Registration for the 2019-2020 school year for the Town of Shrewsbury is now open. Please click [here](#) to register for the bus. Online registration deadline is June 30, 2019.

Don't forget to secure tickets for this weekend's performance of Shrek, Jr. Arlena Boyle has done a terrific job of directing this year's musical, and we expect that all three performances will sell out. [Please click here for tickets.](#)

The countdown to summer is on! The last day of school for students is Wednesday, June 12th. We will gather for a prayer service at 10:30am and dismiss at 11am. Thank you Father Mike for our Christmas play "gift" of a day off from school, allowing us to get out on the 12th instead of the 13th of June!

Last Tuesday night our Saint Mary School parents enjoyed the opportunity to view the amazing science projects that our middle school students have labored over during the past few months. The students relished the opportunity to show off their creative display boards, research reports, experiments, models, and inventions. In listening to the students share their ideas, it was evident that their participation in the Science Fair required them to hone their communication and presentation skills. Most importantly, the science fair projects were excellent examples of inquiry-based, active learning.

Congratulations to the top three winners in each grade level:

Grade 5: 1st place Giselly Silva, 2nd place Pablo Hernandez, and 3rd place Louise Magbiray

Grade 6: 1st place Phin McCormack, 2nd place Maria Nagaria, 3rd place Niva Sethi

Grade 7: 1st place Jack Krey, tie for 2nd place between Bridget MacDonough and Andrew Yacoub, and 3rd place Lainey McCormack

Grade 8: 1st place Sabrina Boyle, tie for 2nd place between Nolan Hughes and Valerie Nyarko, and 3rd place Elise Siciliano

Alice in Wonderland was not the only pretty young lady at last Friday's Father Daughter Dance! Decked out in their gorgeous party dresses, our Saint Mary School girls were a sight to behold as they danced the night away! A giant thank you is extended to this year's committee of Stephanie Fox, Lisa Buffone, and Katie Apicerno who made sure that the decorations, food, and entertainment created a wonderful evening for the Dads and their special dates. Thank you to all those who volunteered that evening to make it such a success. Thank you also to the Fox, Silvani, Beaton, Buffone, Apicerno, Jarry, O'Leary, Kulakusky, Horvath, and Carlson families who donated such fabulous raffle baskets for the event.

Ultimate Obstacles proved to be quite a fun venue for this year's Mother-Son event held on Sunday. Once again, Cyndi Duerden and Allyson Brunner planned such a special outing for our Moms and their sons. Thank you ladies for your dedication to this event!

Excitement is in the air for this year's bigger and better Walkathon on Friday, May 17th! T-shirts have been donated this year and will advertise all of our generous sponsors. **Be sure to turn in the Walkathon t-shirt order form for your child by this Wednesday, or we will have to estimate their size.**

There are so many ways you can help to make the Walkathon a successful fundraiser:

- Assist your student in gathering sponsors for their Sponsorship Sheets or through the link for online sponsorships. [Click here for information.](#)
- Contact Jamie Horvath (ljjb14@hotmail.com) if your business would like to be a sponsor and have their company listed on the Walkathon t-shirt.
- Volunteer to help on the day of the event. Keep an eye out for the sign-up.

Spread the word that Saint Mary School will be holding a Spring Open House on Thursday May 16th from 8:30 until 10:30 am. Help us to introduce some new families to our school as we still have openings in many of our grades for the 2019-2020 school year.
