

# St. Cornelius School

## Activity & Program Guide

Saint Cornelius offers several after school programs available to students in grades PreK4 through 8. Below you will find a list of activities your child can participate in during this school year.

**Science Explorers:** Available to students in grades K - 4th. This program meets after school once a week and focuses on a different science experiment or project during each session.

**Robotics Club-** Available to students grades PreK4-3rd and 4th-8th which will meet in separate sessions. This club meets after school once a week. During each session students will learn about robotic technology, coding and exploring STEM.

**Homework Hangout-** Available to students in grades K-5. This program meets after school once a week. The goal of this program is to provide students with help completing their homework and gives enrichment based work according to their current classroom curriculum.

**Service Club -** Available to students in grades 4-8. This program meets during the school day once a week. The goal of this club is to serve others in our community and other communities. Some projects this club does during the school year include Treats for Troops, Alex's Lemonade Stand and host the school Talent Show.

**Band-** Available to students in grades 3 through 8. The musical instruments offered in this program are: flute, clarinet, alto and tenor sax, trumpet, trombone, baritone horn (euphonium) and percussion. Students will have assigned practice time weekly with our band director, Mr. Paul Baldino.
