

Dear Parents,

The children celebrated the opening school Mass today with much joy and happiness. The eighth grade received their crosses as is tradition at St. Cornelius. The eighth graders will set a great example of excellence, leadership, and service over the course of the year.

The teachers are looking forward to Back to School Night with the parents. Grades 1 - 4 will occur on Thursday, September 12. Grades 5 - 8 will occur on Monday, September 16. Both evenings will begin at 6:00. The evening will begin in Walker Hall with a greeting and welcome and then to the classrooms to hear from your child's teachers about their plans for the school year.

The school calendar has been updated. It is now on the school website. One date that has changed is the day for school conferences. We have moved conferences to Friday, October 18th. The children will be off that day, so teachers can schedule conferences with parents. December 2nd and 3rd are regular full school days.

St. Cornelius Fall Festival Events begin Saturday, September 14th half of all proceeds will go to support the mission of St. Cornelius School. All families are encouraged to participate.
