

Homework Hangout

September dates: 9/16, 9/23, 9/30

After School from 3:00pm – 3:45pm

\$30 per student (for all 3 sessions)

Students in grades 1 through 5 are invited to sign up for Homework Hangout each month to work on strengthening math and reading skills. Students will work in small groups to complete assigned homework before completing an enrichment activity focused around the current curriculum. The enrichment activities will include curriculum-based games, problem-solving activities, and hands on learning that will not only help your child advance academically but will also be fun and engaging!

A snack is provided for students, but they are permitted to bring their own as well.

Please feel free to contact Miss K or Mr. D through email with questions.
