HOLY WEEK It may seem that we are many days away from Holy Week but not so. We must begin this week to plan for Holy Week. **Signing Up** for food is very important since food must be bought right now. (Bring veggies next Sunday) Every year we have more people eating than expected. Also, that which is the opposite of ‘not enough food’, every year we have too many dessert dishes. Only those who Sign Up for ‘dessert’ should bring a dessert dish. Last but not least, it is not our intention to limit the number of people coming to our Holy Week Services but on the contrary to welcome everyone, friends, neighbors and family members. Especially those who are not Catholic are invited to sing joyfully together with us **“He has risen, truly He has risen.”**

NEXT WEEK 3-25/18
