HOLY WEEK The holiest of all the holy weeks of the Church Year. Attendance at the Holy Week is not only a 'must' thing for us to do but also and foremost the best thing we can do this coming week.

CHRISM MASS On Monday I will be concelebrating the Mass with the Bishop and my brother priests at the Cathedral in Providence. On that day the Bishop will not only bless the oils of Baptism, Confirmation and Last Rite but also join with us as we renew together our promises to be faithful in fulfilling our priestly duties.

HOLY THURSDAY At Saint Kateri Tekakwitha we like to come together feasting on the same day Our Lord feasted with his disciples. On this day, above all, we expose the Blessed Sacrament and adore the one who created us, the one who saved us and the one who inspires us

GOOD FRIDAY This day has always been special to us for in our parish. The silence, the hymns and the examination of conscience.

EASTER VIGIL "He has risen. It is true. He has risen" Donald Cox will be received in the Catholic Church and his granddaughter baptized at the Vigil Mass. As always we will celebrate the day, the Resurrection of Our Lord Jesus and the events of the day with food and drink together.

ALL ARE INVITED TO COME AND PRAY ON THESE HOLIEST DAYS OF ALL.

(Bring you Rice Bowl to church to next week if you forgot to bring it this week. Also, if you are one of the few who did not as of yet given to Catholic Charity do it next week.)
