

Evangelization of Exeter

Our town will never be the same after our 'door to door' visitation of our homes.

On Saturday May 12th the parish gang of 100 families will bring the Lord with all his power to those who seek him.

The Rhode Island Catholic, the Standard Times as well as the Warwick Beacon ask to be among those bringing Good News.

Every Saturday morning they come to our Parish Center and learn from Ed Gallagher and his Legion of Mary how to pray the rosary and how to teach it to others.

Rose Pichette and her crew of ten are busy making 'packets'. "The door of 727 homes of Exeter will gladly open on that day by those eager to receive their loaded 'packets', said Rose."

On May 12th the captains of our Evangelization stations will give to the many 'door to door' volunteers their 'marching orders.' Four weeks before on Saturday morning April 21st station captains met and prayed that the Holy Spirit would help them prepare themselves for that important day. At Saint Kateri Tekakwitha there is a great spirit as all the members of the parish come together to make the day of May 12th a successful day. **Praise the Lord.**
