Our Day of Evangelization in our town of Exeter will soon be here. Praise God. Praise also those 51 wonderful people who will come and do for us 'door to door' visitation at 721 homes. And all they ask for is that we pray for them.

And pray we will:

First: Rosary at the early hour of 7:40. Our Legion of Mary friends have a special love for the Mother of God and believe that she will walk with them on their journey on Saturday, the 12th day of the month of May, the month of Mary.

Second: Mass at 8:00

Third: Two hour Prayer Time from 10:30 to 12:45 for all parishioners of Saint Kateri Tekakwitha. Members of our Church choir together with assigned lectors will bring us into prayer. All members are encouraged to remain in Church two hours and pray, however, if two hours is not possible then one hour is fine.

And why Evangelization at this time? Because Jesus told us "to go out to all nations, baptize them and 'make them Church goers' ", simple as all that. Probably, most people we visit are Baptized Christians but not all are Church 'goers'. Prayers in Church by us and knocks on the doors by members of the Legion of Mary we believe will bring them back to Church. "Do not to be afraid," the Lord Jesus says to us. And Mary she says to us, "say Yes" as she said to the angel.
