**EVANGELIZATION**

We thought it would never happen. All those Saturday meetings and all the things that had to get done, so many packets, all those publicity items, and all the copies that had to be done 500 times. "Will we be able to do this? And it not only happened but with flying colors. Thanks to all of us at Saint Kateri Tekawitha. As always **we came forward and center.**

Thanks to the 48 members of the Legion of Mary who showed up and Ed Gallagher who inspired us. The best one of all, the Holy Spirit, as Ed taught us.

**VIVIAN FAY**

Vivian will not be with us next fall as we begin another year of CCD. Fear not, for she has taught us well. It will be for us to do as she taught us to do. Thank you, Vivian and prayers for you especially at this time of your life.

**SAINT VINCENT DE PAUL BIN** has been provided to us. As always only clothing and shoes. Please, nothing on the ground
