

GROWING IN FAITH

Last Monday, your pastor met with your CCD teachers to prepare your parish CCD Program for the coming school year.

Vivian Fay who helped as director of the program for 11 years will no longer continue as director. We thank Vivian for her many years of complete dedication to the program and to our parish youths. Prayers at this time are requested for Vivian and her illness.

Our CCD Program at Saint Kateri Tekakwitha has been and will continue to be **somewhat different** from the CCD programs of many other parishes, in as much as we always have had and will continue to have 28 CCD school days scheduled.
