

GRATEFUL
for God's Providence

CELEBRATING 150 YEARS
Diocese of Providence

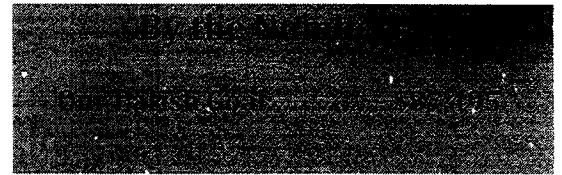

St. Kateri Tekakwitha

October 13, 2018

THE TIME IS NOW: THIS IS COMMITMENT WEEKEND!

One of the major elements of the *Grateful for God's Providence* Campaign focuses on helping each of the parishes in our Diocese address their own needs. Each parish will receive 40% of every dollar raised up to their campaign goal, and 60% of every dollar raised above their goal.

By working together to achieve our campaign goal, our parish family will receive **\$34,998**. Our plan is to use *Grateful for God's Providence* proceeds of **\$34,998** to address the following identified needs:

Together, we must affirm our commitment to our Catholic faith, parish, and Diocesan community. We need everyone to prayerfully consider what they can do to help our Diocese and our parish plan for the future.

Please fill out your pledge card today and place it in the offering basket. No down payment is necessary to make your pledge. We're challenging every family to consider a 4-year pledge, but every kind of sacrificial gift is welcome.

Pledge Cards are available on the altar.

Grateful for God's Providence Commitment Weekend

- Over the past few months you have received and heard information about the Diocesan **Grateful for God's Providence Capital Campaign**.
- I hope that you have had a chance to consider your response.
- I believe the projects supported by this campaign are very important for the future of our Church.
- I trust that you have had time to talk and pray as a family about your sacrifice to our campaign.
- Now that we have arrived at "Commitment Weekend" I am asking everyone to let us know your decision.
- As Catholics it's entirely up to us to support our Church and our parish family to the best of our ability; that is why as your Pastor I too have made a pledge and strongly encourage you to join me.
- My personal conviction regarding the importance of these projects led me to make a pledge.
- I share this not to boast but hopefully to inspire you as you consider your own sacrifice for the new.
- Please consider a gift of \$1000 or more.
- You may make a gift as a pledge and take the 4 years to pay off the balance or make a one-time gift.
- However, in order to be successful, we also need pledges of \$5,000, \$10,000, \$15,000, \$25,000, or more from those who have the means.
- Our campaign is based not on equal gifts, but equal sacrifice.
 - Be assured that gifts of all sizes are needed, wanted, and appreciated!
- How you answer this question is between you and the Lord.
- At this point, I will ask you all to make your commitment and if you have not brought your personalized pledge card that was mailed to you, please complete a pledge envelope, found in your pew.
- For those of you that have already made your gift, thank you for your generosity. If you would, please write on a pledge envelope as well, indicating that you have already pledged.
- In a few minutes our ministers of hospitality/ushers will pick up all the pledge envelopes,
- Thank you once again for listening today and over the past few months.
