## THE MOST HOLY TRINITY

### Matthew 28:16-20

Jesus asks his disciples to go to other nations and teach others all that they have learned. He asks that these new followers be baptized in the name of the Father, Son and Holy Spirit.

### HIS WORD TODAY

**“All power in heaven and earth has been given to me. Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, until the end of the age.”**

As Christians we profess our belief in a creating Father, the redeeming Son and the power animator, the Holy Spirit. We make the sign of the cross as we bless ourselves at prayer, calling upon the Trinity. As faith filled persons we express our belief in this not understandable mystery. Nothing shakes our faith.

But if I really believe, I accept the challenge given to the apostles in Galilee to leave, to make disciples, to baptize and to teach the great commandment of love.

The mandate is given to all Christians not only to the ordained or professed religious. At times of graduation, people are commissioned as officers in the military or as police officers, and they joyfully take up their task to which they were called. At the time of our baptism we too were commissioned to continue the mission of Jesus, the mission of the church, which is to bring the good news to a needy world. We meet parishioners who 'go on mission' for mercy to Ghana and the Dominican Republic from hospitals or to assist the poor. Did you learn from those who went to Puerto Rico or Florida after the hurricanes, or someone who went to Mexico following the earthquake? The Lord is asking me today to begin living anew, the commission I was given at baptism to go, teach, baptize and observe what I believe is my commission. This is my 'Great Commission.'

### ELECTRONIC GIVING (WE SHARE PROGRAM)

This is an alternate means of supporting your parish instead of using the envelope system. This program will collect monthly contributions from your checking, savings or credit card accounts.
