

March 14, 2019

Parents of St. Teresa Driver Education Students:

Driver Education students will be attending the Teens, Trucks & Traffic Program on **April 30, 2019**. This is the fourth year St. Teresa has participated in the program which educates teen drivers on traffic safety. Last year's program was very informative for our students and we look forward to this year's program at Richland Community College. The program will run for a full school day and includes lunch and a t-shirt. There is no cost to attend. Students will return to school in time for afternoon athletics.

It is very important that you read, complete and sign the attached documents and return them to the Main Office by **Friday, March 29, 2019**. Those students who do not have signed Parental Consent forms will not be able to attend the program. Also, a shirt size for your student should be included when the Parental Consent form is returned.

If you have any other questions or need further clarification, please contact me.
