

Brother Knights,

Supreme Knight Carl A Anderson has invited Knights of Columbus members around the world to pray the novena for Repentance, Renewal, and Rebuilding starting Feb. 20. As you will note, these dates will include the Bishop's meeting at the Vatican which Pope Francis ordered over a year ago.

I am not computer literate enough to send you Mr. Anderson's original letter or the actual novena. A website of the novena is listed below. It is not a link, because I do not know how to do that either. Please copy the website onto your browser and hopefully it comes up. I also found this novena by using the search engine on my computer and putting in Novena for Repentance, Renewal and Rebuilding.

Paul
