

PRINCE OF PEACE PARISH
RELIGIOUS EDUCATION REGISTRATION 2019-2020

April 2019

Dear Parishioners,

Once again it is registration time for Kindergarten through grade 10 for the academic year 2019-2020, in the basic learning module of our Religious Education Program. We ask that you read over the material carefully and then choose the program that best fits your family's needs. We ask you to fill out the registration form and **return it by June 2nd**. If you are able to, please include the fee. If not, you may send it in later. *No one will be denied entrance into any programs because of inability to pay.*

On the registration form please fill in your e-mail address and also any needs or allergies, etc that your child/ren may have. Volunteers are also needed for all programs to run. Please check the bottom section of the registration form to indicate how you can help.

Choice A: Summer Program

Choice A will be on a first come first serve basis. Please note: If you choose "Choice A" you must commit for the full two weeks plus the two follow-up sessions during the year. Children who do not complete the full two weeks and the two follow-up sessions will be required to participate in the Home Study Program.

Choice B: Home Study Program (grades K-6 only)

Choice B will be the Home Study program. If you choose "Choice B" there will be a parent meeting in September in which you will be given your child's textbook and assignments to be completed during the school year. Your child/ren will be required to attend the seven Saturday mornings from 10:00 a.m.-12:00 p.m. Please check the dates on the registration form.

Junior/Senior High Program

Those students who are in grades 7-10 will attend 16 Monday evening sessions (7:00 p.m.-8:30 p.m.) held during the school year. Please check the bulletin for the start date in September.

Please do not register for any of our Sacramental preparation programs. Sacramental preparation programs are separate programs which build upon these basic learning modules. For example, First Eucharist program requires a minimum of two years of religious education. All sacramental programs require completing minimum educational requirements plus active participation in the parish and regular Mass attendance. Information concerning registration for sacramental programs will be announced at Mass or appear in the parish bulletin at the appropriate time of the year. It is your responsibility to stay informed.

Thank you for your time and effort in helping us provide the best possible programs for the young people of Prince of Peace Parish.

Sincerely,

The Religious Education Committee

RELIGIOUS EDUCATION REGISTRATION 2019-2020

Overview of the Scripture Cycle- 2019-2020

The emphasis of this cycle is the exploration of the Scriptures as the foundation and source of our faith.

Students in grades 1-3 will be exposed to the stories of the great people and events of the Hebrew and Christian Scriptures. These stories will focus on the theme of God's promise to love all people, the people created in His own image and likeness, and God's promise to send someone who would restore harmony and peace to all the world. They will also focus on the special people God chose to bring God's message to the world by exploring the covenants with Noah, Abraham and Moses.

The children will also be introduced to Jesus as the fulfillment of God's promise to send "someone who will make things right." They will explore what Jesus taught about how we should love God and other people and will explore those parables and stories of Jesus that emphasize how we are to care, share, help others, pray and forgive one another.

Throughout their study the children will explore the Ten Commandments as expressed by Jesus' Two Great Commandments and the Works of Mercy.

Students in grades 4-6, in addition to exploring the theme of God's promise to love all people and to send "someone who will make things rights," will examine to greater depth the meaning of the covenants of the Hebrew Scriptures and the role of the Kings and Prophets in living out the Mosaic Covenant.

They will also be introduced to Jesus as the fulfillment of God's promise and the Messianic hope of the Jewish people. Jesus' message of the Kingdom will also be explored. The Kingdom of God is based on love for God, others and ourselves. Through an exploration of the parables and miracles of Jesus, students will be invited to explore what Jesus expects of us as people of the Kingdom.

Throughout their study the students will focus on the Ten Commandments as the sign of the Mosaic Covenant, Two great Commandments of Jesus, the Beatitudes and the Works of Mercy.
