Dear St. Pio School Families,

St. Pio School is happy to announce that we are changing our tuition management system for the 2019-2020 school year. The new tuition management system is named "Tuition Simplified" powered by PARISH GIVING.

This new system will give families 24/7 online and mobile friendly access to their account in addition to customer service phone support. All transactions will be secure, and families will have the ability to pay their Registration Fee and Tuition. Families will also have the ability to select a tuition plan, check balances, view payments and print reports.

For those of you currently using the SMART TUITON plan to pay your current year tuition, we ask that you set up your new "Tuition Simplified" account according to the directions below in order to facilitate your re- registration for the 2019-2020 school. You can continue to make your current years tuition payments utilizing your SMART TUITON account until May 31, 2019 . After this date all tuition accounts will be transitioned and managed by the "Tuition Simplified" system. The SMART TUITON option will no longer be available after May 31, 2019.

For those of you currently paying your tuition directly at the school by check or cash, we ask that you set up your new "Tuition Simplified" account according to the directions below in order to facilitate your re- registration for the 2019-2020 school. You can continue to make your current years tuition payments at the school until May 31, 2019 . After this date all tuition accounts will be transitioned and managed by the "Tuition Simplified" system.

The Registration Fee for 2019-2020 will remain at \$100 per student until March 31, 2019.

After March 31st the Registration Fee will increase to \$150 per student.

The first step transitioning to the "Tuition Simplified" system for the 2019-2020 school year will start with how you pay your Registration Fee. The procedure to pay the Registration Fee is as follows:

1. On January 24th every school family will receive an email from **Parish Giving Support** with Login Information. You will simply need to click on the link in the email and log into your account.
2. Once you have logged in you will be prompted to:
 - A) Supply billing information
 - B) Verify family information and make any necessary corrections
 - C) Pay your 2019-2020 Registration Fee

The new "Tuition Simplified" system is paperless!

The new "Tuition Simplified" Program will be introduced and explained at the Home and School meeting schedule for Tuesday, January 22nd at 7:00 pm. We encourage all of you to attend this very important meeting.

The transition to the new "Tuition Simplified" system will continue over the next few months. You will be receiving communications from the school as we continue to transition with you. Please feel free to contact Colleen Jones by email at colleenj153@gmail.com or by phone at 267-210-5390.
